(SUPERVISORIAL DISTRICT 1)
(3 VOTES)**

SUBJECT

This action will adopt the findings and orders of the Building Rehabilitation Appeals Board pursuant to Title 26 of the Los Angeles County Code, Building Code, which provides for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions, which constitute a public nuisance.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the findings and orders of the Building Rehabilitation Appeals Board that provide for abatement of public nuisances at the following locations:

465 South Ford Boulevard, East Los Angeles, California 90022
5663 Cedarglen Drive, Azusa, California 91702
18838 East Chadley Street, Covina, California 91722
4653 Gleason Street, East Los Angeles, California 90022

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to provide for abatement of public nuisances through rehabilitation procedures. Title 26 of the Los Angeles County Code, Building Code, provides for a Building Rehabilitation Appeals Board to hear appeals on matters concerning public nuisances.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3) as it provides services to the public that have a wide-reaching positive effect on the entire community. The action will provide for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions, which constitute a public nuisance.

FISCAL IMPACT/FINANCING

There will be no increase in net County cost or negative fiscal impact. Costs of the abatement work are billed to the property owners. Failure to pay the bill will cause a special assessment to be placed on the tax bill and a Notice of Abatement Lien will be recorded against the property with the office of the County Registrar-Recorder/County Clerk.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Building Code provides for abatement of public nuisances through rehabilitation procedures contained in Chapter 99.

Government Code Section 25845 requires that the property owners be provided an opportunity to appear before the Board and be heard prior to abatement of the nuisance(s) by the County. However, your Board adopted modified procedures that delegated the required hearing to the Building Rehabilitation Appeals Board with the requirement that the Building Rehabilitation Appeals Board make a written recommendation to your Board.
